O.M.B. APPROVES SEWER SYSTEM

The proposed sewer system for Deseronto has been approved by the Ontario Municipal Board.

Mr. Douglas Boyle, the Belleville lawyer who is the municipal solicitor for Deseronto confirmed the O.M.B. endorsement of the \$1,200,000 project last Thursday.

The development will include a sewer system and construction of a sewage disposal plant.

It will be undertaken by the Ontario Water Resources Com-

mission, which in turn will charge the town for the services.

The OMB held a public hearing here recently to hear the pros and cons regarding sewers, and at this meeting it was stated that Deseronto soil is not deep enough for efficient septic tank operation and that the Bay of Quinte could become polluted from this.

The battle for sewers for Deseronto began approximately eight years ago, and finally has become a reality.

DESERONTO TOWN COUNCIL HOLD REGULAR MEETING

On Tuesday, Sept. 2, 1969, a regular session of Deseronto Town Council was held with all members present except Reeve Armitage.

Following the minutes of the previous meeting and a special meeting, the following correspondence was dealt with: A letter from Mr. Douglas Boyle, the Town Solicitor stating that the Ontario Municipal Board has given final approval on the Sewer System project. Other correspondents were O.W.R.C. - re water works system; Township of Tyndinaga - re joint planning board consisting of Twp. of Tyndinaga and Town of Deseronto; Hisey & Barrington - re standpipe report; Association of Mayors and Reeves - re membership; Mrs. Kay Hood - re canvas - sing for the C.N.I.B.; Bell Telephone - re pole installation; City of St. Catharines - re conflict of civic employees bill which is to be put before legislation this fall; Lucky Strike Lanes - re bicycles on sidewalks. It was moved by Councillor Lyons that all bicycles be licensed and when these are purchased from the Police Dept. that the children be given instructions concerning safe use of the cycle.

The regular accounts were turned over to the Finance Committee for approval and payment. Other accounts passed for payment were Hisey & Barrington \$47.15 for standpipe report; Lightfoot construction \$1,796.10 for balance of work on the standpipe; Amalga-

mated Metals - standpipe account of \$4,137.00; Gord Thompson and Son - resurfacing of sidewalks \$1,437.60; Peddler People for drain pipe, \$1,444.80 and Mel McIntosh \$800. for the building of the dock at Centennial Park.

COMMITTEE REPORTS:

A financial report was given by Councillor McCullough in the absence of Reeve Armitage.

Councillor Brooks gave a streets report at which time he also gave approximate prices on 2 different makes of 3 ton trucks.

A property report was given by Councillor McCullough, at which time he informed council that there were no tenders received for the removal of the old water tank. At this time it was passed that the new Police Office will be stuccoed on the outside, and the necessary painting will be done.

A Police report was given by Councillor Gordanier.

NEW BUSINESS

It was passed by council that 300 yds of sand (for winter roads' maintenance) would be tendered for and the town employees would mix their own salt rather than buy premixed sand and salt.

Also tenders are to be called for a 1969 3 ton truck for the streets department to use.

Councillor Saunders moved that Robert McArton be appointed to the Cemetery Board to take the place of the late Hubert Howard.

It was requested by Councillor

Lyons that the Streets Committee check a couple of trees that should be removed on Dundas St.

After some discussion it was passed by council that Mr. Doug Law, Jr. would be hired on a contract basis to be caretaker & night attendant at the new police office.

Council then adjourned. The next regular meeting of the council will be on Sept. 15, 1969.

Deseronto Man Revives Child

Mr. Clayton Moon, 349 Thomas Street, Deseronto used mouth to mouth artificial respiration to revive a 13 month old baby after he stopped breathing as the result of a fall.

Dennis Lajole, son of Mr. and Mrs. Ray Lajole, Thomas Street struck the back of his head on a protruding wall molding as he fell from a couch.

Mr. Moon, a member of the volunteer Fire Department, heard the screams of the baby's mother, and went to their aid.

Constable Beattie of the Deseronto Police Department drove the family to Napanee hospital, where the child was released after observation.

Wellington Plans 110 House Project

Plans for a 110 house subdivision to be erected in Wellington are "on the drawing board," according to village reeve, Robert Boyce.

Mr. Boyce said that the project has nothing to do with the

mushroom plant currently being located near the village by Campbell Soups Company.

He also stated that the location for the subdivision has been chosen and that the land was under options, but that further details cannot be released now.

Rev. A. F. Dowdell Honoured On Retirement

Approximately 100 friends and parishioners attended a pot-luck supper in honour of Rev. A. F. Dowdell at St. Mark's Church on Wednesday, August 27, 1969.

Rev. Dowdell, who is retiring from the ministry, is moving with his wife to Cobourg. They moved on Wednesday, Sept. 3rd to Wilberforce, Ontario, north of Lindsay, until October when they will be able to move into St. Peter's Court apartments in Cobourg.

The combined congregations of St. Mark's and St. Jude's, Kingsford attended the supper, which was mainly organized through the wardens, Maurice Kimmitt & Gordon Jackson of St. Mark's & Mr. Tucker and Mr. R. Wagor of St. Jude's.

The wardens expressed their thanks to Rev. Dowdell for his service during the past four years and wished he and his wife a very happy retirement.

The congregations presented the Dowdells with a purse of money, and the Girl's and Junior Auxiliary with an inscribed serving tray, while the A.C.W. presented Mrs. Dowdell with a purse and Mr. Dowdell with a pen.

Picked Up In Passing

The new Police Office is receiving a stucco finish this week. This will complete the remodelling of the old building and certainly helps to improve the appearance of Deseronto's Main Street.

It is a pleasure to see the old coal sheds along the railway tracks south of Main Street being torn down. Not only have they been an eyesore, but also a danger to children playing in the area. Deseronto's appearance would be much improved if more of these eyesores were removed.

Another danger that has been brought to our attention is the condition of two dead elm trees which lean over Dundas Street. Who is responsible if a limb falls on a child? After each storm, the town employees have to pick up quite a pile of branches that have fallen.

ARTISTS WITH THE PLOW

"A good crop starts with a good job of plowing." This oft repeated statement reminds farmers that the fall plowing season is approaching, at least in Eastern Canada. It also reminds plowing enthusiasts that the match-plowing season is at hand.

This year the Canadian Plowing championship Match is being held in Ontario in conjunction with the International Plowing Match and Farm Machinery demonstration, on the farm of Ross Kelley, not far from Paris, Ont. The 16th Annual Canadian Championship is being staged by the Canadian Plowing Council on Oct. 16th, with seven teams of two champion plowmen from as many provinces competing for the Esso Silver Plow, awarded to the top Canadian "Artist of the Plow".

Competitors at this Match will plow in stubble in the morning and in sod in the afternoon, and all will be judged according to the rules of the World Plowing Organization. The top two plowmen (not more than one from a province) will represent Canada at the World Plowing Match to be held next year in Denmark.

This year's team of Douglas Reid of Brampton, Ont. and Barry Wilson of Cornwall P.E.I. will be leaving shortly to represent Canada at the World Match near Belgrade, Yugoslavia.

Local and Personals

Mrs. T.W. Jackson with three of her grandsons from West Hill camped at Kingsford Centennial Park for a week with the Roebuck family of eight and other friends. All had an enjoyable week fishing, swimming and cooking out. The young Roebuck lads, Barry, Brian and David are great wood-cutters and provided us with many fine camp fires for roasting marshmallows, corn and toasting ourselves too. On Saturday, they returned to Toronto for school!

Alice and Bob Brant of 2355 Bailey Ave., Cheekewee, spent a week at the cottage of Freeman Maracle.

Mr. Clarence Sailor of Buffalo N.Y. spent the weekend with Mr. and Mrs. Thomas Powless.

Weekend guests of Mr. & Mrs. Tom Stote were Mr. and Mrs. Willard McPhail of Maple Lake. Mrs. Stote's brother Vern, who has been visiting with them for a month returned home with his parents.

A reception was held at the Skyway Lounge following the marriage of Mr. and Mrs. Greg. Wagar of Nanaimo. Mrs. Wagar is the former Brenda Lasher. They were married on Saturday, August 30, 1969.

Bob Sherman, Gary Baldwin, and Jeff Richardson spent the weekend in Toronto at the home of Mr. and Mrs. Arthur Palmer. While in Toronto, they attended the Canadian National Exhibition.

Mrs. Lottie Anderson of Deseronto and Nancy Scott of Nanaimo have returned home from the West Coast where they drove out to join Mr. and Mrs. Murney Scott who have been visiting his brother Jack Scott of Trail B.C. All report a very enjoyable trip. On their return home, they enjoyed visiting the Bennett Dam, in B.C., Barkerville Gold mining centre, and also the animal farm near Edmonton.

C. W. O. and Mrs. A. J. Brim, of Ottawa and W. O. and Mrs. S. G. Brim and their two children of Montreal were the guests of their parents, Mr. and Mrs. Arthur Brim Sr., Mill Street.

Holiday callers at the home of Mrs. Sam Geddes, Mill St. were Mr. Robert Muir and his sister, Irene of Belleville, Miss Blair of

Belleville and Mrs. Parks of Coe-Hill and Mr. and Mrs. Ralph Condor of Picton.

Mrs. Sam Geddes spent a very enjoyable two weeks holidaying at the cottage of Mr. and Mrs. Reg. Barlow at Papineau Lake recently.

Holiday visitors at the home of Mr. and Mrs. Blake Moore were their daughter and family, Mr. and Mrs. Marvin Brooks and son Keith of Woodstock.

After a month's holidays, the Rev. Robert C. Jones of Presbyterians Church of the Redeemer, had a 9 o'clock service on Sunday

morning, Aug. 1st. Mrs. Eric Quirk was the guest organizer for the service. For the month of Sept all services will be at 9 a.m.

August 17th to August 23, 1969.

Belleville Detachment
Last week officers of the Belleville Detachment of the Ontario Provincial Police patrolled 7,960 miles of Provincial Highways and other roads while working a total of 824 duty hours.

6 thefts, 2 break and enters,

3 disturbances and 58 other miscellaneous occurrences were reported and investigated.

8 property damage and two personal injury motor vehicle collisions were reported and investigated. 3 persons were injured in these collisions.

49 charges were preferred for offences under various Federal & Provincial Statutes.

42 cautions were given for minor offences under the Highway Traffic Act.

2 requests for assistance were received from other Police Departments and assistance was given.

There were 42 convictions in Provincial Judge's court. Officers spent 21 duty hours in court.

Accidents Decrease Slightly In 1968

There was a decline in the no. of fatal accidents in Canada in 1968 compared to the previous year for the first time since 1960.

Accidental deaths totalled 11,493 in 1968 compared to 11,596 in 1967 and the accidental death rate per 100,000 population dropped from 56.8 to 55.4 in the same period.

This information is contained in "Accident Facts 1968" prepared last month by the Canada Safety Council in co-operation with the Dominion Bureau of Statistics, Vital Statistics section.

Traffic remained by far the main cause of accidental deaths accounting for 5,375 fatalities, or 46.8 per cent of the total. The 1967 figure was 5,412.

The other leading causes of accidental deaths were: falls, 1,713 compared to 1,711 in 1967; drownings, 1,087 compared to 1,200 in '67; fire and explosions 682 compared to 729; poisonings 593 compared to 484 and suffocations 534 compared to 560 in '67.

Of all non-transport accidental deaths, 2,305 or 40.1 per cent occurred in the home.

The ratio of male accidental deaths to those of females remained at about five to two, 8,148, compared to 3,345.

The death rate per 100,000 population varied widely within the country, from 45.4 percent in Newfoundland to 167.7 in the Northwest territories.

The figures for the other provinces were 78.2 in Prince Edward Island; 62.4 in Nova Scotia; 67.6 in New Brunswick; 51.3 in Que. 51.4 in Ontario; 52.7 in Manitoba; 62.1 in Saskatchewan; 58.1 in Alberta; 70.6 in B.C. and 146.7 in the Yukon.

For purposes of comparison, these figures in 1967 were Nfld-53.2; P.E.I.-78.9; N.S. 70.5; N.B. 65.8; Que. 52.8; Ont. 52.7; Man. 58.5; Sask 63.6; Alta. 57.4; B.C. 69.5; Yukon 106.7 and N.W.T. 141.4.

Traffic fatality breakdowns contained in "Accident Facts 1968" show that 39.2 per cent of the deaths occurred in multiple car crashes: 24 per cent pedestrians, and running off the road accounted for 21 per cent.

Of the 1,289 pedestrian deaths 39.4 per cent were under the age of 15 and 30 per cent over the age of 55.

A number of other categories and comparisons are contained in "Accident Facts 1968" available from the Canada Safety Council, 30 Driveway, Ottawa 4 at a cost of \$1.00 per copy.

Canada Standard Sizes For Children's Clothing

Consumer and Corporate Affairs Minister Ron Basford announced recently the launching of a nation-wide program to promote the use of the Canada Standard Size (CSS) label on children's clothing. A Canada Standard Size label on a garment means that it is sized according to body measurement rather than the age of the child.

At a press conference where young models demonstrated the size differences within one age group, Mr. Basford said: "Many parents have complained to us about the trouble they have buying children's clothes which fit properly. Obviously all 8 yr. olds are not the same size and the consumer should be able to buy by measurement rather than age. Today we are launching a program to encourage manufacturers to produce children's clothes in Canada Standard Sizes, and we are urging mothers to buy those items carrying the CSS label."

The CSS program is a voluntary one but manufacturers wishing to use the standard label must obtain a licence from the department of Consumer and Corporate Affairs and conform to the regulations. Abuse of a licence could lead to its suspension or prosecution.

Mr. Basford said that the major retailers and manufacturers have welcomed the new program and are assisting in its promotion because a better fit for children's clothes will mean fewer returns of merchandise. The Department of Consumer Affairs is publicizing

the CSS label in its Consumer Commique, in retail outlets across the country and in the press, radio and T.V.

The children's sizing standard based on body measurements was developed by the Canadian Govt Specifications Board which includes manufacturers, retailers, consumers and government officials.

Steam Engine To Start Off United Appeal Campaign

On Saturday, September 13th, the Canadian National Steam engine No. 6218 with eleven coaches and one baggage car will depart from the C. N. Station in Belleville at the following times (Daylight Saving Time) for a steam trip to Anson Junction, a distance of approximately 20 miles northwest of Belleville.
10:00 a.m.

1:00 p.m.
4:00 p.m.
6:30 p.m.

The elapsed time of each trip will be approximately one hour and thirty minutes.

This is the last remaining steam engine of this type in Canada and very likely the last opportunity people in this part of the country will have to ride such a famous train.

Members of the brotherhood of railway Trainmen, The United Transportation Union (Trainmen) and United Transportation Union (Firemen) are giving their time to this course, free of charge.

A special commemorative railway ticket will be prepared for this event.

All school children will be carried on this trip for 50¢ and adults for \$1.00.

Apart from the direct costs to the Railway for this operation, the balance will be turned over to the United Appeal Campaign Fund.

Tickets for the trip on the "Steam Special" to Anson Jct. may be purchased at the following locations: The C. N. R. Station, Phone 968-7560; Davison & Davison Travel Agency - 962-3404; Rolf's Travel Centre - 962-9201; The "Caboose" Front & Bridge Sts. 962-7400, or Students may purchase their tickets through their school.

The train will also follow the same schedule for Sunday the 14th

JUST A BOY

Got to understand the lad -
He's not eager to be bad.
If the right he always knew,
He would be as old as you.
Were he now exceedingly wise
He'd be just about your size.
When he does things that annoy
Don't forget - he's just a boy.

Could he know and understand,
He would need no guiding hand,
But he's young and hasn't learned
How life's corners must be turned.
Doesn't know from day to day
There is more in life than play;
More to face than selfish joy.
Don't forget - he's just a boy.

Being just a boy he'll do
Much you will not want him to;
He'll be careless of his ways,
Have his disobedient days.
Willful, wild and headstrong too,
Things of value he'll destroy.
But reflect - he's just a boy.

Just a boy who needs a friend -
Patient, kindly to the end;
Needs a father who will show
Him the things he wants to know.
Take him with you when you walk
Listen when he wants to talk.
His companionship enjoy.
Don't forget, he's just a boy.

Deseronto and Tyendinaga Apply For Joint Planning Board

At a joint meeting of the Planning Committees of the Town of Deseronto and the Township of Tyendinaga on August 19, 1969, it was moved that the Corporation of the Town of Deseronto and the Corporation of the Township of Tyendinaga apply to the Minister of Municipal Affairs to form a joint planning area comprising the whole of the two municipalities.

A letter was received from Marshall MacKlin Monaghan Ltd. offering their services in planning. The firm is presently working in Prince Edward County. The committee decided that it would wait until they received word from the Minister of Municipal Affairs before they decided anything further.

Members of the Deseronto Planning committee present were Reeve Don Armitage, and councillors, Jack Layfield and Geo. Lyons.

REDECORATING STARTED AT PRESBYTERIAN CHURCH

The redecorating of the Presbyterian Church of the Redeemer is being started this week. The congregation will worship with St. Andrews in Picton for the next 2 or three Sundays. Sunday school will be delayed in opening, and also the Explorers and the C.O.C. They will all start in October. The Explorers were supposed to have a Tea and Sale in September, but will plan for a "Robert Burns" Tea in January instead.

ESCAPES INJURY IN CAR ACCIDENT

Russell Brant of Deseronto and his passenger were uninjured Saturday afternoon, when the car he was driving crashed off the road on Highway 49, near the White Chapel in Prince Edward County.

Blood Clinic To Be Held On Sept. 22

On Monday, September 22nd, the Red Cross Society will be holding a blood clinic at the Memorial building in Napanee from 2-4:30 p.m. and 6:30 - 9:00 p.m.

This is a twice yearly clinic, and the Red Cross Society sincerely hopes that you will come out and give a donation of blood.

"You too may save a life!"

Adult Rehabilitation Centre At Napanee

At their recent planning meeting the Lennox and Addington Association for the Mentally Retarded discussed the Adult Rehabilitation Centre, which will open in September, and outlined a tentative schedule for the school's operation.

Newly appointed manager-director for the A.R.C. was presented and described to the executive the tremendous value he derived from visiting other such cen-

tres.

During the meeting the various money-raising activities of the Association were mapped out by members.

Plans are being made for this year's banquet and tickets are being sold to cover expenses for this self-supporting event.

President Frits Juliusen reported that the final returns from the Flowers of Hope Campaign are now over \$3,000. The Junior Chamber of Commerce added \$1,000 to this as proceeds from the Walkathon.

Mr. Juliusen pointed out that the Association "needs every dollar it can scrape together" as it has almost no government support.

A monthly grant of \$20. for each trainee is all the government assistance given. The Association must provide and maintain the building, furnish equipment and pay salaries and incidental expenses.

Schools for the mentally retarded are not financed by the Dept. of Education.

The school for Lennox and Addington County has been held in the Happy Day School on the Slash Road, and will re-open in the former public school in Morven.

The former school has been purchased by the Association of the A.R.C.

Pupils, when they reach the age of 18, can no longer attend school, and it is in this respect that Adult Rehabilitation Centres fill a great need.

The centre will open this week and will operate for 12 months in the year except for short vacation periods.

Bank Robbers Return To Face Charges At Picton

The two Brantford area youths who robbed the Bank at Concession last June have been returned to Picton from Vancouver to face charges of armed robbery.

Dennis Butcher, 18 of Brantford and Mark Anthony Kowall 19 of Paris have been in the Prince Edward County jail since Saturday.

The youths were returned from Vancouver where they were convicted and sentenced to four yrs.

each on armed robbery charges in the west coast city.

They are scheduled to appear in magistrates court here before Judge T.Y. Wills on Wednesday.

INDIANS FORM NEW ASSOCIATION

The Indian Reserves of Ontario have long felt that they should get together in order to discuss their mutual problems, but somehow the proper association was not set up. However, through the persistence of Chief Earl Hill of the Bay of Quinte Mohawks, a meeting was arranged and from it arose the Iroquois and Allied Indians Association.

The first meeting was held at Council House, Tyendinaga on August 30th, with approximately 35 representatives present.

The executive delegation was elected as follows: President - Norman Lickers, of Six Nations Reserve, Brantford, Vice-President, Earl Hill, Tyendinaga, Secretary, Frank Benedict from St. Regis Reserve at Cornwall, with another member of Six Nations being elected as Treasurer.

This association, which is recognized by all the Reserves' Band Councils, was formed primarily in order that the different reserves could get together, through the delegates to discuss their councils' views on land matters, membership, and particularly the white paper policy, and any other matters which they feel important.

Each reserve must be represented by two delegates, one of whom must be an elected member of that reserve's council.

Representatives from the Bay of Quinte Mohawks, Tyendinaga are Carl D. Brant, council member, and John R. Brant, who is the welfare administrator.

The Association sent a brief to the Indian Affairs and Northern Development at Ottawa, stating that they request a proper hearing to explain rightfully their feelings and their rights before any action is taken on this new policy. This motion was made by Chief Richard Isaac and seconded by Chief Earl Hill.

Reserves belonging to this newly formed association at present are Mississauga of the New Credit; Six Nations Reserve, Brantford; Mohawks of the Bay of Quinte,

Tyendinaga Reserve; Oneida Reserve of the Carodac Agency, & St. Regis Reserve at Cornwall.

The second meeting of the new Association was held at the new Quinte Mohawk School, Tyendinaga on Sept. 3rd, with approximately 42 people present. At this meeting, there was representation from Caughnawaga Reserve in Quebec.

Chief Earl Hill was elected to go to Thunder Bay at the Lakehead to attend the conference of the Union of Ontario Indians on a dual purpose - 1st as head of this reserve and also as a delegate of the Iroquois and Allied Indians Association.

John R. Brant who is an elected member of the Union of Ontario Indians will go with Chief Hill as a spokesman for the Association. They will leave on Thursday and attend the conference on Sept. 12th, 13th, and 14th.

Last Friday, the Association had a meeting with the Ontario Provincial Government in Toronto and discussed the White Paper Policy with Minister John Yaremko.

The White Paper Policy is a policy which advocates the turning over of all the land to the Indians and if this is done, what results would outcrop from it.

Mr. Yaremko informed them that the government is just as much in the dark concerning the policy as are the Indians.

There were 12 reserves represented at this meeting, and it was their feeling that if this policy came about, they would like to stay under Federal Jurisdiction.

The problem of education was also discussed at length with Mr. Yaremko.

The next meeting of the Iroquois and Allied Indians Association will take place at the Council House, Tyendinaga on October 26th, and will be open to all people of the reserve. The meeting will be in the afternoon, and in the evening a party will be held at the Mohawk Community Centre. Purpose of the party is to raise money for the new association.

It is hoped that the association will meet once a month for the members of the delegation, and once every three months, the meetings will be open to all people of the reserves.

Honoured On 25th Wedding Anniv.

Mr. and Mrs. Archie Kidd of Tamworth were guests of honour at a dinner at the Skyway Dining Lounge on the occasion of their 25th wedding anniversary on Saturday evening, Sept. 6, 1969.

The anniversary party was given by Mr. Kidd's brother, Mr. Pat Kidd and his three sisters, Margaret K. Doehler, of New York; Eleanor J. Loughrin of Toronto and Gertrude K. Rice of Utica, N.Y.

CONSTRUCTION DESIGNATED

The Honourable George Gomme Minister of Highways, has advised Mr. Clarke T. Rollins, M.P.P. Hastings, that he has signed a construction designation for the first phase of Development Road No. 979, Musclow Road (Part), Township of Montegale.

The agreement documents have been forwarded to the District Engineer for him to obtain the required signatures of the officials and seal of the Township of Montegale.

Hospital Insurance Costs Rise

The Ontario Hospital Services Commission announced Tuesday that the cost of the government sponsored Ontario Hospital Insurance plan tripled in 10 years.

In its annual report, the com-

mission said the 1968 cost was \$573,400,000 compared with \$161,700,000 in 1959.

The report said factors contributing to the increase were a 44 per cent rise in the number of public hospital beds; a 31 per cent increase in the number of patients; a 72 per cent increase in full time hospital staff and a 104 per cent climb in wages.

"Salaries, wages and fringe benefits in public hospitals accounted for 78.1 per cent of the \$568,500,000 which the commission paid during the year for insured services," the report said.

The province's total 1968 cost for hospitals, including the commission program, mental hospitals and tuberculosis sanatoria, plus provincial special and capital grants to hospitals, was \$747,800,000.

CONTRACT AWARDED

A contract has been awarded to Drury Construction Co. Ltd. of Arthur, Ontario for the reconstruction of the County road from Marlbank to Highway # 41, a distance of 3.7 miles. The road extends through portions of Hastings County and Lennox and Addington County, and is being reconstructed as a Development Road project toward which the Ontario Department of Highways contributes 100% of the construction costs.

The project falls in the ridings of Clarke T. Rollins, M.P.P. Hastings, and The Hon. J.R. Simonett, M.P.P. Frontenac-Addington. The Hon. George Gomme, Minister of Highways, has advised the two members that he has authori-

zed the construction expenditures on this road, and will be forwarding formal Agreements to each County for execution.

The contract awarded to Drury Construction is valued at \$278,558.00 and was the lower of two bids received. The work will involve grading, drainage, granular base and some asphalt paving.

The acquisition of the land for widening and the erection of new fences is to be done by the respective Counties as a regular road expenditure receiving 50% subsidy from the Province. Work will commence shortly, and it is hoped that the contract can be completed before the end of this year.

Wedding Minaker-Farrell

At Western University Chapel Point Loma, San Diego, California a pretty double ring ceremony was performed by Methodist church minister, Rev. M. Homeston, D.D. Chaplain Colonial U.S.A. when Bonnie Roe Farrell, daughter of Mr. and Mrs. Carl Salo, Superior Wisconsin, and George Calvin Minaker, only son of Mrs. Merton Cummings, Deseronto and grandson of Mrs. Margaret Emmans, Deseronto, were united in marriage.

The bride looked lovely in a short white crepe dress, trimmed with lace sleeves, and in her hair she wore pink roses with baby's breath. She carried a bouquet of pink roses and baby's breath.

The couple were unattended, and walked down the aisle to the strains of the Wedding March.

The chapel was decorated with Gladiolas and pink carnations.

The mother of the bride wore a dress of aqua linen with white accessories, and the groom's mother was dressed in a dress of beige lace over taffeta and wore green accessories.

The reception was catered to on the Reuben E. Lee Riverboat on Harbour Island Drive, San

Diego, where a dainty buffet luncheon was served. The bride's table was centered with a two tier wedding cake which was decorated for the occasion.

The bride and groom gave a toast and thanked their many relatives and friends. The cake was cut and served by the bride's sister, Mrs. Lee Mrotek of Appleton Wisconsin. She was assisted by the daughter of the bride, Miss Pamela Farrell, who was dressed in a white lace dress and carrying pink roses. The only usher at the wedding was the bride's brother, Mr. Richard Salo.

After the reception, the guests went to the bottom deck, where dancing was enjoyed.

The bride is employed as a Medical Technologist at Rees Stealy Medical Clinic in San Diego. The groom is employed as a marketing representative of Robr Corp. antenna division, Chula Vista, Cal.

Mr. and Mrs. Minaker have purchased a home in Loma Valley Place, Loma Point, San Diego.

Authority Receives \$1500. Grant

Approval has been announced of \$1,500 provincial government grant to the Prince Edward Coun-

ty Regional Conservation Authority for a preliminary investigation of ground water conditions in the county.

The authority, and the engineering staff at Queen's University will make tests in the county's big swamp area. These will indicate the water-bearing capacity of soil deposits and initiate a monitoring system for certain area wells.

This initial study will help determine whether future investigations are justifiable and whether funds can be made available for this purpose.

All member municipalities of

the county have been designated as beneficiaries and will be levied the authority's share of the cost.

REV. OSCAR SIMPSON

SHOULD I FORCE MY CHILD TO ATTEND SUNDAY SCHOOL

Shall I make my child go to Sunday school and church? Yes! And with no further discussion about the matter. Startled? Why? How do you answer Junior when he comes to breakfast on Monday morning and announces to you that he is not going to school any more? You know! Junior goes. How do you answer when Junior comes in very much besmudged, and says "I'm not going to take a bath?" Junior bathes, doesn't he?

Why all this timidity then, in the realm of his spiritual guidance and growth? Going to let him wait and decide what church he'll go to when he's old enough? Quit your kidding! You didn't wait until you were old enough! You don't wait until he's old enough to decide whether he wishes to be clean or dirty do you? Do you wait until he's old enough to decide if he wants to take his medicine when he is sick? Do you?

What shall we say when Junior announces he doesn't want to go to Sunday school and church? That's an easy one to answer. Just be consistent. Tell him "Junior, in our house we all go to church and Sunday School, and that includes you." Your firmness and example will furnish a bridge over which youthful rebellion may travel into rich and satisfying experience in personal Christian living.

The parents of America can strike a telling blow against the forces which contribute to our juvenile delinquency, if our mothers and fathers will take their children to Sunday School and church regularly.

FIRST MISSION IS MARKED

The white man's first toe-hold on Quinte territory was commemorated last Sunday, with the unveiling of a historical plaque honoring Kente Mission to the Cayugas at Consecon.

The Kente Mission was established by members of the Society of St. Sulpice on Consecon Lake in 1668. Rev. J. Claude Labrecque, College de Montreal, representing the Society, unveiled and dedicated the plaque, provided by the Ontario Public Records and Archives Department.

The ceremony in the village park in Consecon was arranged & sponsored by the Prince Edward Historical Society whose president

David R. Taylor, was program chairman.

Bands of Iroquois Indians migrated from their homeland south of Lake Ontario about 1650 and established villages on the north shore. The hunting grounds north of the lake were richer, and after their Huron enemies were scattered by the British, the area was opened to the Iroquois.

Some Cayugas crossed Lake Ontario and established a village near Consecon, whose Indian name was probably Kentio or Kenta & was called Kente by the French. It was later changed to Quinte by the English.

Two Sulpician priests founded a mission to the Cayuga band in 1668. It was abandoned 12 years later when the Jesuits gained the upper hand in ecclesiastical affairs in Quebec.

Among those participating in the unveiling were Chief Earl Hill of the Tyendinaga Mohawk Band, George Hees, MP, Prince Edward - Hastings; Norris Whitney MLA, Prince Edward Lennox; and

DESERONTO TOWN COUNCIL HOLD REGULAR MEETING

On Monday, September 15th, 1969 the Deseronto Town Council held a regular meeting with all members present. Following the minutes of the previous meeting, the following correspondence was dealt with: O.W.R.C. - re sewer project agreement; Reg Dawson - re purchasing the old power house property; Dravo Co. - re a letter thanking council for their co-operation prior to their selling to A.&B.P.

The regular accounts were turned over to the finance committee for approval and payment. Other accounts passed were Hisey and Barrington - \$59.60 re water tank; Lightfoot Construction - \$1,963.71 re water tank; Beaver Lumber - \$3,075.24 re new Police office.

COMMITTEE REPORTS.

Reeve Armitage gave a financial report to date.

Councillor Brooks gave a Streets Report and informed council that prices are being sought for tree removal.

A Property Committee report was given by Mrs. McCullough at which time she gave a quote from Doyle's Aluminum Sales for a door canopy.

A Police and Fire Report was given by Councillor Gordianer.

Councillor Brooks suggested to council that a town manager be hired. He plans to bring a motion before the council at the next meeting.

Councillor Lyons introduced two new By-Laws - one for the licensing of bicycles in town and the second for a contract between the Town of Deseronto and Douglas Law Jr. as attendant and caretaker of the Police Department.

NEW BUSINESS

Councillor McCullough spoke to council concerning the litter and garbage left on the streets of Deseronto.

Councillor Layfield asked council's permission to grant a six month's option to a prospective industry on the old Ideal Vender Property. Council decided to hold the matter over until the next council session, as there is also another prospective industry looking at the site.

Council requested that the Police Department enforce the

curfew by-law that was set in 1941. The By-Law states that all children under 15 years of age, must be off the streets by 9 p.m. in the evening.

After discussion on other various matters, the council adjourned. Next council session will be on Monday, October 6, 1969.

Ladies Aid & W.M.S.

The September 11th meeting of the Ladies Aid and W.M.S. was held at the home of Mrs. E.R. Quirk, Stanley Ave. at 6 p.m.

The business meeting was preceded by a traditional Indian curry dinner prepared by the hostess, who has spent many years in that country as a missionary.

The dinner was enhanced by the native accompaniments to the Eastern seasoned menu. The members were delighted with the unusual dishes and especially since Mrs. Quirk explained the foods and commented on the customs of India.

The informal discussion on meals and food brought the missionary work much closer to the daily lives of those present.

Mrs. Geddes moved a vote of thanks to Mrs. Quirk, and it was seconded by Mrs. McCullough.

The meeting was opened by

Mrs. Blake Moore, Vice - President, with the singing of hymn "Showers of Blessing" Mrs. Quirk led in prayer. The Scripture reading was given by Mrs. Albert Walker. A missionary reading on Nigeria and Biafra called "The Church's There" was read by Mrs. Kay Hood. Ten members answered the roll call with "Your Favourite Verse" Next month a verse containing the word thanks.

Business of the meeting was the setting of dates for the Rummage Sale and Bazaar. September 26th and 27th for the rummage sale and November 15th for the bazaar.

Next month's meeting will be at the home of Mrs. Don MacMillan, with Mrs. Moore and Mrs. Geddes bringing refreshments. The hymn "Jesus Keep Me Near The Cross" was sung and Mrs. Moore closed the meeting with a prayer.

Local and Personals

Miss Carolyn Sherman arrived home recently from a three weeks vacation to the East Coast. While there she went on the Cabot Trail and attended the Canada Games in Halifax.

Mrs. D. Aldred and two children, David Jr. and Robbie have returned home after spending the past week with her parents, Mr. and Mrs. L.E. Gardanier.

Mr. and Mrs. Fred Lawrence Celebrate 60th Anniversary

On Monday, September 15, 1969 Mr. and Mrs. Fred Lawrence of 128 Fourth St. Deseronto celebrated their 60th wedding anniversary.

Their family had arranged everything and decorated the house with beautiful flowers. An afternoon tea was served to the family members and the friends who called. A lovely three tier wedding cake centered the table and the Lawrence's granddaughter poured tea.

Mr. and Mrs. Lawrence received congratulatory messages from the Queen, Prime Minister Trudeau, Ontario Prime Minister Mr. Roberts, and also from Mr. Clarke Rollins M.L.A.; Mr. Lee Grills M.P. and from the Leader of the

Opposition, Mr. Stanfield.

Among the floral bouquets they received were one from the members of Deseronto Town Council, from Mr. and Mrs. Lyn Gray of Napanee, from Mr. and Mrs. Bill Moon of Bath, and one from their son, and one from their daughter.

Mr. and Mrs. Lawrence were married by Canon McTeair in St. John's Anglican Church, Bath on September 15, 1909.

They farmed in Bath for 25 yrs and have resided in Deseronto for 35 years. Mr. Lawrence was the caretaker at the old high school in Deseronto for many years. During the war, he worked in air-on-works factory. Mrs. Lawrence taught school at one time.

They have one son, Mr.

Allan P. Lawrence of Kirkland Lake and a daughter, Mrs. Florence Reid, also of Kirkland Lake. There are four grandchildren.

Bikes and Ponies Using Sidewalks

At Monday night's council session, complaints were received concerning the riding of bicycles and ponies on Deseronto's side walks.

Despite many warnings from the Police Department, some children still persist in breaking the rules.

If some interest was shown by the parents, it is felt that the problem could be greatly alleviated.

New General Manager For Ontario Crop Insurance Commission

Henry Ediger, Director of the Junior Farmer Loan Branch of the Ontario Department of Agriculture and Food since 1966 has been appointed General Manager of the Crop Insurance Commission of Ontario, effective September 15, 1969. He succeeds R.D. Blackburn who has resigned to accept a position with the Government of Manitoba. This announcement was made recently by the Hon. Wm.A. Stewart, Minister of Agriculture and Food.

Henry Ediger was born at Reesor, Ontario in 1932, attended the Kingsville High School, and graduated from the Ontario Agriculture College in 1956 with a B.S. A. Degree. For nine years Mr. Ediger served with United Co-Operatives of Ontario as Manager of local co-operatives in Wingham, Grafton, Campbellford and Alliston, joining the Junior Farmer Loan Branch of the Ontario Department of Agriculture and Food in 1965. A year later he became Director of the Branch.

"We are pleased to be able to utilize Henry Ediger's wide range of experience in this new position said the Minister in announcing the appointment. "He has proven himself to be a capable administrator, and he is well known and respected by farm people across the province."

Indians To Use Federal Grants To Strengthen Policy Opposition

Indians may be fighting the proposed new federal Indian Policy with a federal grant of about \$53,000.

The annual meeting of the Union of Ontario Indians held last Saturday at Thunder Bay was told by John McGilp, regional director of the Indian Affairs Branch, that a grant of \$1. for each Indian in Ontario will be made.

The grant is being made to assist the UOI in building a sound organization, he said.

But Chief Frederick Plain of Sarnia, newly-elected Union President said the grant will help establish better communications between Indians and set up regional workshop meetings where real issues and problems can be talked over.

He said top priority will be given to uniting Ontario Indians against the proposed federal Indian policy before the government can begin to carry it out.

Discussion during the meeting indicated one of the biggest problems facing the UOI is the lack of communications between not only the Indians in northern and southern Ontario, but even neighboring Indian reserves.

Delegates charged the federal government appears to be trying to divide the Indians by "trying to sell" the policy to individual

Indians or individual reserve leaders instead of bringing the Indians together to discuss and develop a consensus.

The federal grant was the second of more than 50,000 announced at the meeting. Earlier Indians were told by telephone that Ontario is granting \$54,400 for a study by UOI of conditions on reserves.

Robert Bennett, who recently resigned as commissioner of the United States bureau of Indian Affairs, said U.S. Indians continue to be treated as pawns between the federal and state governments.

Delegates were eager to hear him because of the similarity between the proposed Canadian policy and one begun in the U.S. in 1953 and abandoned in 1958.

Mr. Bennett, an Oneida who graduated from an Indian Boarding school, said the psychological effect of the 1953 policy was even more damaging than the practical effect, in which communal Indian land was broken up and distributed to individual Indians.

"It in effect said that you are no longer an Indian tribe and you are no longer an Indian."

"This is what upset the Indian people more than anything because they felt that this was a way the government was trying to destroy Indians as a people."

Under the proposed Canadian policy, Canada's 237,490 registered Indians will be put on the same legal footing as all other Canadians. The government wants to end the reserve system & give Indian bands ownership of lands they now occupy.

Also the Indian Act would be repealed and the Indian Affairs branch would be abolished within five years.

Marysville C.W.L.

The September meeting of the C.W.L. was held Tuesday evening in Holy Name of Mary school and was well attended.

The President, Mrs. Don McLaren presided. Father Dwyre opened the meeting with prayer. This was followed by the reading of the minutes, the correspondence and the treasurers' report.

Mrs. Don McLaren welcomed the members, especially those new in the parish. The President gave the highlights of the executive meeting which she had attended recently in Kingston. Members were urged to attend the regional meeting in Trenton on October 5th - it is most important that the chairman of the standing committees attend.

Members were reminded to send cards or letters to the sick.

Mrs. McLaren wished the leaders of the 4 H much success in this new undertaking and offered some financial assistance if needed.

year, which had been decided upon at an executive meeting was discussed - the meetings should prove to be most interesting and educational.

Mrs. Francis Maloney will convene the October meeting. Mr. Coulson from the Family and Children's services of Hastings County will be the guest speaker.

The plans for the bazaar which is being held on September 27th, were discussed. All members are expected to contribute to the various tables. The draw for the cash prizes, quilt and basket of groceries will be held in the evening at the bingo.

The meeting closed with prayer after which lunch was served.

Mrs. Brant is resting at White and Morris Funeral Home, Deseronto. The funeral service will be held on Thursday, Sept. 18th at 2 p.m. to the Mohawk Pentecostal Church, York Road, with Rev. Fred Futers, officiating.

Interment will be in Riverview Cemetery, Shannville.

LOCAL AND PERSONALS

Mr. and Mrs. Ivan Barrager, Las Vegas, Nevada, are spending a month's vacation at the summer cottage of her brother, Mr. and Mrs. Mervin Sherman and family. While there, they attended the funeral of her mother, Mrs. Ward Sherman, Napanee.

OBITUARY

Mrs. Hattie Brant, Shannville, Ontario passed away at the Belcrest Nursing Home, Belleville on Monday, September 15, 1969.

Mrs. Brant, the former Hattie Shontz is survived by her husband Michael Brant Sr. and is the dear mother of Mary of Florida, Alice (Mrs. Charles Griffiths) Betty, (Mrs. Richard Barraclough) Ruth, Mrs. Blain Lilac, William and Dennis all of Tonawanda N.Y. & Edward of Stanlon Island, N.Y.

Card of Thanks

We would like to express our sincere thanks to all our friends and relatives for their expressions of sympathy, beautiful floral tributes and donations to the Heart Foundation at the time of the sudden passing of a dear mother, Dora Sherman. A special thanks to the Tierney Funeral Home and to Rev. G. Case for his comforting message and to all the friends & relatives in Deseronto who so thoughtfully assisted at the home. Your kindness is deeply appreciated.

Mervin, Hazel, Madeline and families.

COMING EVENT

I would like to express my appreciation and thanks to the Doctors and nurses of the Napanee Hospital while I was a patient there. Also a special thanks to the ministers and the many friends who prayed for me. Also for the lovely flowers, candies, letters, cards and other gifts. A special thank you to those who came to see me and encourage me, and who read to me the many promises of God in His word. But most of all I want to take this opportunity to thank and praise God for His goodness and mercy to me. I give all the glory and praise to Him, for without Him we can do nothing.

I am glad to be home with my good husband and loved ones. Truly God is a good God. He change eth not and His mercy endureth forever.

God bless each one for your prayers.

Watching for His soon return.

Mrs. Fred (Lorraine) Powley.

A By-Law For The Protection of Children

BY - LAW NO. 1050 1941
A BY - LAW FOR THE PROTECTION OF CHILDREN

Passed April 21st, 1941

BE IT ENACTED by the Council of the Corporation of the Town of Deseronto as follows:-

1. No child under the age or apparent age of fifteen years shall loiter in any public place after nine o'clock in the afternoon or be in any place of public resort or entertainment after that hour unless accompanied by his parent or guardian or an adult appointed by the parent or guardian to accompany such child.
2. A child found violating the provisions of Section 1 may be warned by any constable or probation officer or officer of a Children's Aid Society, and if such warning is not regarded or after any such warning the child is again found disobeying the provisions of the By-Law, such child may be taken by the constable or officer to the child's home or to the children's shelter.
3. Any parent who permits his child to violate the provisions of this By-Law shall upon summary conviction thereof for the first offence incur a penalty of \$1. without costs, and for a second offence \$2. and for a third or any subsequent offence \$5.00
4. The time herein prescribed in this By-Law shall be such as is legally declared to be in force in the Municipality at the time any breach of this By-Law is alleged to have taken place. This By-Law shall come in force and take effect on its passing.

ALSO

CHILD WELFARE ACT

The Child Welfare Act & Regulations states that:

- (3) No boy or girl under sixteen years of age shall loiter in any public place between the hours of 10 o'clock in the afternoon and 6 o'clock in the morning of the following day or be in any place of public resort or entertainment during such hours unless accompanied by his or her parent or an adult appointed by the parent to accompany the boy or girl.

- (4) A boy or girl found contravening any provision of this section may be warned by a constable and if the warning is not regarded or if after the warning, the

boy or girl is again found contravening any provision of this section, the boy or girl may be taken by the constable to the home of the boy or the girl or to a place of safety, and dealt with as a child apparently in need of protection. R.S.O. 1960, c.53, s.36 (3,4) amended. (5) A parent who permits his boy or girl to contravene any provision of this section is guilty of an offence and on summary conviction before a judge is liable to a fine of not more than \$25. and for any subsequent offence, to a fine of not more than \$100. WEDDING Berry - Gendron

St. Vincent de Paul's Church, Deseronto was the scene of a lovely summer wedding on Saturday August 9th, 1969, when wedding vows were exchanged between Miss Mary Jeannette Francoise Gendron and Mr. Jackie Frederick Berry.

The bride is the daughter of Mr. and Mrs. Elisee Gendron of Deseronto, and the groom is the son of Mr. and Mrs. Jack Berry, also of Deseronto.

Father Snauren, and Father Dwyre performed the ceremony.

The bride, given in marriage by her father, looked lovely in a floor length, empire-waisted gown of organza over taffeta, trimmed with lace and small white crocheted flowers. The gown was accented by a matching floor length veil which flowed out in a long train behind her. She carried a bouquet of white and yellow shastas.

The bride was attended by Miss Jane Scott, cousin of the bride of Kingston as Maid of Honour, and bridesmaids, Miss Marlene Berry, sister of the groom, Miss Sheila Gendron, sister of the bride, and Miss Margaret Longmires of Corn-

wall. Miss Debra Findland, niece of the groom was flower girl.

The attendants were dressed in floor length empire - waisted gowns of mint green Baptise, accented by a row of crocheted Daisies at the empire waists and around the cuffs. The flower girl was adorable in a floor length white gown trimmed with lace and accented with a long sleeveless coat which fell out in a train behind her.

All of the attendants carried bouquets of white and yellow shastas.

Mr. Philip Berry acted as Best Man for his brother, and the ushers were Keith Berry, brother of the groom, Jim Healey of Belleville and Joseph Gendron, brother of the bride.

The men all wore white tuxedos. Miss Anne McAlpine was organist for the ceremony, and accompanied the soloist, Miss Connie Kemp.

For the reception at the Legion Hall, the mother of the bride greeted her guests in a dress of pink lace with bone accessories and a corsage of pale blue mums. She was assisted by the groom's mother who wore a blue lace dress with white accessories, and a corsage of pale pink mums.

For the wedding trip, the bride changed to a street - length

Following the reception, the guests enjoyed a dance at the hall.

Out of town guests were from Quebec, Napanee, Bath, Peterborough, Kingston, Elliot Lake, Oshawa and Fenelon Falls.

Mr. and Mrs. Berry are residing in Trenton.

TREES

I think that I shall never see
A poem lovely as a tree.

A tree whose hungry mouth is prest
Against the earth's sweet flowing
breast

A tree that looks at God all day
And lifts her leafy arms to pray.

A tree that may in summer wear
A nest of robins in her hair;

Upon whose bosom snow has lain;
Who intimately lives with rain.

Poems are made by fools like me,
But only God can make a tree.

Joyce Kilmer.

Milk Composition Study Now Available

A comprehensive study of the composition of milk and its relationship to pricing and utilization has been completed & a summary of the report and its recommendations is now available from the Information Branch, Ontario Department of Agriculture and Food.

This study was a joint project of the Dairy Branch of the Ontario Department of Agriculture and Food, the Departments of Dairy Science and Animal Science at the Ontario Agricultural College, the Department of Veterinary Bacteriology of the Ontario Veterinary College, and the Production and Marketing Branch of the Canada Department of Agriculture.

The criterion on which the study was based was a detailed examination of the production of forty dairy herds, ten of each of the main dairy breeds in Canada—Ayrshire, Guernsey, Holstein-Friesian and Jersey—a total of 1,400 dairy cows during the period of 1961-1965. The findings of this study and the recommendations that accompany it should be valuable background material for any discussions relative to future

dairy herd testing programs, milk pricing, and consumer information.

A detailed summary of the report and the recommendations are now available from the Information Branch of the Ontario Department of Agriculture and Food. Ask for "A Summary of the Study of Milk Composition in Ontario."

WEDDING Dennee - Maracle

A lovely wedding was solemnized in Christ Church, Tyendinaga on Saturday, September 6th, 1969, when Elizabeth Diana Maracle and Dennis William Dennee exchanged marriage vows before Rev. Col Helder Smith, Trenton.

The bride is the daughter of Mr. and Mrs. Albert A. Maracle R.R. #1, Deseronto and the groom is the son of Mr. and Mrs. James McAvish, Port Hope. The wedding music was played by Mrs. Edwood Brant.

Given in marriage by her father, the bride was gownned in nylon-net and lace over taffeta. The lace bodice featured a square neckline and long sleeves. The A-line gown had a chapel train while the three tiered bouffant veil was attached to a tiara of seed pearls, and fell to her shoulders. She carried a cascade bouquet of red and white roses.

The maid of honour was the bride's cousin, Sandra Maracle. The bridesmaids were Carol Maracle, cousin of the bride, & Margaret McAvish, Port Hope, sister of the groom. They were all dressed alike in gowns of nylon sheer A-line style with an inverted

back pleat, and jewel neckline. The dresses of yellow and orange over taffeta featured long sleeves pointed over the hands and a martingale belt. The headresses were of yellow carnations matching the nosegay carried by each attendant of the bride.

The groom was attended by Mr. Ronald Wakely of Port Hope and the ushers were David Gillan Jr. of Cobourg and Murray McAvish brother of the groom.

For the reception in the community hall, the mother of the bride received her guests dressed in a mauve double-knit jersey dress with matching accessories and a white corsage.

The mother of the groom wore a dress of purple lace over matching taffeta with matching accessories and a corsage of white carnations.

For the honeymoon to points east the bride changed into a light wool suit of red and white plaid with a blouse and accessories in white. She wore a corsage of white carnations.

Upon their return, the couple took up residence in Port Hope.

Celebrate 50 th. Wedding Anniv.

Mr. & Mrs. Oscar Bosket have just celebrated their Golden Anniversary. With them were their daughter, Marion and her husband Stuart Coles. Their granddaughter Nancy, and husband Pat Williams and their son Glenn, from Raleigh, N.C. Granddaughter, Judi and husband John Leigh and their daughter, Melinda from Staton Island N.Y., also cousins, Mrs. Edna Hinrichsen, Mrs. Dorothy Green and Jesse Davis from Vestal, N.Y., Mr. and Mrs. William Hensen from West Corners, N.Y.

Recreation Committee Active At Rink Site

Deseronto's Recreation Committee is now actively engaged in re-establishing a skating rink at the Edmond Street site of the former rink. (Opposite Fire Hall)

The Committee was determined from the start to provide as complete a program of activities as facilities would allow. Unfortunately the facilities for skating & organized minor hockey were nil and necessitates rebuilding of the rink.

A special Rink Committee is being established, consisting of J. Layfield, Chairman, with Wayne Brant and Dennis Vick as the other members.

The Town streets employees have been clearing the site, volunteering their free time, and have also offered cash donations to help the project along. Other financial offers of assistance have been received as well, and at a later date will be acknowledged by the Committee.

Concrete blocks have been ordered for construction of a change room, a water line is being installed by the P.U.C. employees, for flooding purposes, and new boards will be installed in the near future.

The rink committee is hopeful that an active campaign can be launched in the near future to provide a cover for the rink and eventually have artificial ice-making equipment. In the meantime facilities should be available

to continue their program this winter. Installation of boards water and lights will be permanent installations which can be covered with a proper building at a later date. The ice surface will be 80' x 180'

The interest and enthusiasm prevalent at the time the Centennial Park was constructed appears to exist at the present time for a rink. With the same interest and co-operation the Committee feels there is no reason for Deseronto to be without these very necessary recreational facilities.

Local and Personals

Deseronto Man Killed In Car Crash

Brian Edmund Smith, 20 of 121 First Street, Deseronto, died shortly after being admitted to Kingston General Hospital as the result of injuries sustained in a car crash on Hwy 133, south of Napanee on Friday, September 19th.

Mr. Smith was a passenger in a car driven by Ivan Reid, 25, of Napanee. The Volkswagen car apparently went out of control and rolled over. Both men were thrown from the car.

Mr. Reid is listed in satís - factory condition in hospital.

The men were on their way to work at Milhaven Fibres, when the accident occurred.

The son of Mr. and Mrs. Lewis Edmund Smith, he was born at Deseronto and attended school at Deseronto and Napanee. He had been working at Milhaven for the past 18 months. He was a member of the United Church.

ST. MARKS A.C.W.

The regular meeting of St. Mark's A.C.W. was held September 15th at the home of Mrs. Reg. Batt with President Mrs. Bert Coles presiding.

After the business meeting, arrangements were made for the desert Tea and Bazaar to be held at the Lion's Hall on October 25th. A number of church members will be contacted and asked to assist with the Bazaar. All church members are requested to donate to the Bazaar.

Mrs. Batt and Mrs. Coles displayed a number of articles. Also a number were donated for sale at the Bazaar.

Volunteers were asked to canvass for the Blind on Monday, the 22nd of September.

The meeting was then adjourned and lunch was served by Mrs. Tucker and Mrs. R. Batt.

The next meeting will be on October 20, at the Sunday School.

DEAR CITIZEN,

We implore you to act now. The need is great. The matter is urgent.

Thousands of children in Biafra are dying each day of hunger alone. We who live in a land of plenty, should not hesitate.

GIVE THAT A CHILD MAY LIVE

Your local Clergy has banned together in this common cause. The objective is \$2,500.00. This is the cost of a Relief Flight to Biafra.

Perhaps our Government should show more concern. Maybe they will. Can we wait? NO WE CAN'T!!

Let us ban together in one great community effort. So be generous and help to ease this tragedy by giving your contribution large or small, to D.B.R.F. - Deseronto's Biafra Relief Fund.

Maple Syrup Producers Hold Annual Meeting

Maple producers of the province will gather at the Chrysler Restaurant, Upper Canada Village, for an Annual Meeting and Convention, October 3rd and 4th. The Ontario Maple Syrup audio-visual slide set, produced by the

Ontario Department of Agriculture and Food, will receive its, premiere showing.

Guest speaker at the Friday evening banquet will be Professor A.R.C. Jones, Macdonald College, Quebec, a world renowned expert on maple syrup. In addition there will be a panel of producers discussing their experiences with oil-fired evaporators, plastic tubing, marketing automatic controls and pumps for maple sap. A Maple Queen contest is planned and a "Maple Man of the Year" will be named.

A demonstration of the maple bush management, tubing, a tubing washer and bucket washer

will be held Saturday morning, followed by a pancake, sausage and pure Ontario maple syrup lunch. A program for the ladies, including tips on cooking with

maple syrup, has also been organized. The meeting will end with a tour of Upper Canada Village on Saturday afternoon.

Farm Enlargement Program Extended

The Hon. Wm. A. Stewart, Ontario Minister of Agriculture and Food, and the Hon. Jean Marchand, Federal Minister of Regional Economic Expansion, jointly announce an extension of the Ontario Farm Enlargement and Consolidation Program. This program was initiated in 1966 under the Federal-Provincial Rural Development Agreement (ARDA), and its acceptance by Ontario farmers has resulted in one of the largest agricultural adjustment programs ever undertaken in Canada.

The purpose of the Farm Enlargement Program is to enable the small farm to enlarge to a size that will produce a satisfactory income to the operator. To date approximately 1,000 Ontario farmers have enlarged their operations with ARDA assistance. There is a twofold effect since the same number of individuals have been assisted out of agriculture through purchase of their properties for enlargement purposes.

Experience has indicated that the scope of the enlargement program should be broadened to encompass more disadvantaged rural people. In the new program announced today, the priority will continue to focus on the farm enlargement through purchase and consolidation of farm units. A secondary priority, however, will involve the purchase of occupied uneconomic units where the farmer wishes to relocate his farming operations, or retrain for employment in another area.

A third priority will provide for purchase of farms on submarginal land and transfer of the land to other uses such as forestry or recreation. A final priority is the purchase of uneconomic farm units from operators fifty-five years of age and over, who have been unable to sell their properties. These units will be consolidated and made available

for future agriculture development.

The estimated cost of the new program announced today is \$12,000,000 over a two-year period. The costs will be shared equally by the Provincial and Federal Governments.

UNITED CHURCH STEWARDS MEET

The Stewards of Deseronto United Church met at the home of Merton Cummings, 371 Thomas St at 8 p.m. on September 16th. The minutes of the previous meeting were read by the secretary, Mrs. Cummings. Various matters of business were then discussed. Walter Roblin was appointed Envelope Steward. A discussion followed about the Expenses of our church and bills we have to pay.

Anniversary Sunday will be on October 26th. Rev. Hendry suggested that Financial Statements be sent out with the special envelopes. He also reminded us that visitation week is the first week in November.

It was suggested that the church secretary, Mr. Peter Dickson send out quarterly statements. Rev. Hendry talked to us on Stewardship in the congregation and also mentioned that he would like the Stewards meeting to be held the 4th Wed. in each month so that he could be present. Rev. Hendry feels that more church members should be subscribing to the "Observer" which is the United Church magazine.

Since the church must raise money to carry on its work, it was decided that an Auction Sale will be held in Stover Hall at 1 p.m. on November 1st. Anyone with any articles they would like to get rid of, please call the Chairman of the Board of Stewards, Mr. Merton Cummings at 396-2522. We'll accept anything, large or small, if it will bring in a few pennies.

Menu of the Week

For real economy of fuel and stove space, plan a complete oven meal, advises the Food Council, Ontario Department of Agriculture and Food.

Baked pepper squash makes a delicious easy-to-preparedish when sprinkled with salt and pepper and dotted generously with butter. The squash goes well with a potato and tomato casserole, to make a hearty fall meal.

New Farm Program on Display At Plowing Match

Four new farm programs, designed to keep pace with modern trends in agriculture, will be on display at the International Plowing Match to be held at Paris Ontario, October 15 to 18.

The Ontario Department of Agriculture and Food Exhibit will include booths on Financial Counselling and Credit, Farm Machinery Management, Feed Service Education courses, and a crops Advisory Service. Each booth will be staffed by extension specialists, who will discuss the new programs with anyone requesting information on these four areas.

The Financial Counselling and Credit booth will deal with interest rates, repayment schedules, when to rent and when to buy, possibilities of farm expansion, and other factors useful in making agricultural decisions that affect the cash flow of each farm.

Questions and answers on the complex and costly farm equipment will be featured in the Farm

Machinery Management booth. Material on machine efficiencies and costs, credit financing, leasing of equipment, and dealer information will be available for anyone thinking of making farm equipment purchases.

Crops and Feeds are covered in two booths. New educational programs on feed mixing and rationing, as well as Feed Analysis Service to be conducted through the University of Guelph, are soon to be introduced. Information on these new programs will be available at the Feed Advisory Stand.

The Crop Systems Center will concentrate on soybeans as a valuable source of protein and a supplement to the corn crop. New methods of cooking soybeans to make their protein content more digestible will also be featured.

Also on display in the Department pavilion will be a slide presentation running continuously throughout the day, with the emphasis on the four major themes of the exhibit.

Trudeau Favours Increase In M.P.'s Salary

Prime Minister Trudeau says

that he favours an increase in the \$18,000 annual pay of members of Parliament.

However, he told reporters, it is not up to him to decide the matter.

Mr. Trudeau said the subject of a pay increase for MP's would be of interest to everyone, particularly since some civil servants earn more than Commons members and cabinet ministers.

MPs played a "crucial" role in society and their pay should be brought up to the level of others performing jobs of equal importance.

MPs receive \$18,000 a year of

which \$6,000 is not taxable. Cabinet ministers receive a total of \$35,000 - including MP's pay of \$18,000, additional ministers pay of \$15,000 and \$2,000 car allowance - of which \$8,000 is tax free.

Mr. Trudeau is paid \$25,000 in addition to his MP's salary, plus \$2,000 tax - free for maintenance of his official residence, for a total of \$45,000 of which \$8,000 is tax exempt.

MPs last received a pay increase in 1965 when their annual pay rose to \$18,000 from \$12,000.

HYDRO DISPLAY AT ONTARIO SCIENCE CENTRE

Power, one of the province's most vital resources, is the theme of one of the largest displays at the new \$30 million Ontario Science Centre in Metro Toronto. The story of energy is told dramatically in sound, light, action and script.

Created by Ontario Hydro as its contribution to Ontario's Centennial project, the exhibit was turned over Thursday, Sept. 18th in an official ceremony by Chairman George E. Gathercole on behalf of Hydro to the Hon. James A. Auld, the Minister of Tourism and Information, the Minister responsible for the Centre.

Occupying a sizeable section 5,000 square feet, in the Hall of Engineering, the exhibit is devoted largely to the present and the future, with passing reference to the early development of electric power in the province.

During the coming years millions of school children from all parts of Ontario as well as adults will be brought, through informative audience-participation devices, into the world of electricity. There are also a number of unusual demonstrations of the effects of electricity, such as "Jacob's Ladder," a Van de Graaf and the three-dimensional displays of control switches, circuit-breaker and transformers.

At the entrance, a large display traces the history of Hydro, one of the world's greatest electrical utilities, from its founding in 1906. As the voice of a narrator (Jack Dennett) tells the story, animated lights show the flow of energy and trace the rapid growth of electrical energy which is doubling every decade.

Close by the large map is an island-type display of a select group of museum artifacts from an earlier period of electrical apparatus and devices. Arranged around these is the group of historical photos in black and white and colour and a brief description of significant chronological dates.

In the intimate mini-theatre, a large diorama illustrates the rain cycle, entitled "Weather at Work". It consists of a section of simulated terrain with model hills, streams, lakes and small towns. Clouds form, rain falls, thunder and lightning rumble, and flash, water gathers into streams and rivers and flows towards the lake. The stream is dammed and a model hydro-electric station operated with power lines radiating to a town and adjacent rural districts. There also

are models illustrating other sources of Hydro generation, fossil-fueled plants and nuclear stations.

Outside the diorama an animated explanation depicts the workings of generating stations. Steam condenses, fires roar, neutrons split off and turbines spin as buttons are pushed to activate these displays. Visitors can see how electrical energy leaves the generators and is transmitted over the power network. Facts, figures and illustrations show the massive operation at work. Transformers are explained and visitors can operate a device to see the principle of transformation at work. A 20-foot quarter-scale model of an extra high voltage tower is included.

The functioning of a sub-station is shown with schematic and animated illustrations. Protection functions show actual air-blast circuit breakers and a cross sectional three-dimension model which shows the arc-quenching action.

A stage in the centre of the exhibit draws rapt attention. A demonstrator puts a number of electrical "fireworks" through their paces. A tesla coil tantalizes insulators at over a million volts. There is the snap-crackle of 15,000 volts, the climb of high voltage and current up Jacob's ladder, the resistance of the human body, the tickle of static elec-

Come To Sunday School Because:

Sunday School teaches the Bible the message of God Almighty. Sunday School prepares one better to face the problems of life. Sunday School teaches obedience and respect for parents and those in authority.

Sunday School confronts the student with the demand of God that he accept Jesus Christ as his personal Savior.

Sunday School helps to build strong character.

Sunday School presents opportunities to share Christian experiences.

Sunday School shows the student how he can be of service in this sinful world.

Sunday School brings together those with whom you can form true friendships.

Sunday School gives the opportunities to bring others under the message of the Gospel.

Sunday School teaches songs of

real beauty, comfort and praise. Sunday School gives the opportunity to discuss spiritual problems in small groups with those of the same age.

God Says: Seek ye the Lord while he may be found. (Isaiah 55:6)

God Says: Train up a child in the way he should go. (Proverb 22:6)

God Says: Search the Scriptures for... they are they which testify of me. (John 5:39)

God says: Let the word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in Psalms and Hymns and spiritual songs, singing with grace in your hearts to the Lord. (Colossians 3:16)
